Product Description

Benefits of polki diamond and gold earrings with 20 grams gross weight from Kadel Jewels in Karol Bagh, New Delhi:

1. **Timeless Elegance:** Polki diamond and gold earrings are renowned for their timeless elegance. These earrings, with their classic combination, can effortlessly elevate any outfit, making them suitable for both formal events and everyday wear.
2. **Comfort and Wearability:** The 20-gram gross weight strikes a balance between substantial presence and comfort. These earrings are designed for extended wear, ensuring they remain comfortable throughout the day or evening.
3. **Quality and Authenticity:** Kadel Jewels is a trusted and reputable jeweller. When you purchase from them, you can be confident in the quality and authenticity of the materials used in the earrings, including the diamonds and gold.
4. **Versatility:** Polki diamond and gold earrings are incredibly versatile. They can be worn with traditional attire, adding a touch of opulence to ethnic wear, or paired with contemporary clothing for a blend of modern and traditional aesthetics.
5. **Investment Potential:** Jewellery of this quality often serves as an investment. The combination of polki diamonds and gold ensures intrinsic value, and the rarity of polki diamonds can make these earrings even more appealing to collectors and investors. Over time, they can potentially appreciate in value.
6. **Local and Trusted Source:** Purchasing from a well-established local jeweller like Kadel Jewels in Karol Bagh, New Delhi, offers several advantages. You can establish a trusted relationship, receive personalised service, and have access to expert advice and ongoing support for maintenance and inquiries.
7. **Heirloom Quality:** Polki diamond and gold earrings have the potential to become family heirlooms, passed down through generations. They carry the sentimental and historical value of being part of your family's legacy.

In summary, polki diamond and gold earrings with 20 grams gross weight from Kadel Jewels in Karol Bagh, New Delhi, offer timeless elegance, comfort, quality, investment potential, and a connection to a trusted source. They are a versatile and valuable addition to your jewellery collection, representing both your personal style and potential financial prudence.

Product Description

Benefits of a green with white pearl color polki diamond and gold necklace with 30 grams gross weight from Kadel Jewels in Karol Bagh, New Delhi:

1. **Exquisite and Unique Color Combination:** The combination of green with white pearls in this polki diamond and gold necklace creates an exquisite and truly unique color palette. This distinctive choice makes the necklace a conversation piece and a standout addition to your jewellery collection.
2. **Comfortable and Elegant:** With a 30-gram gross weight, this necklace offers a comfortable and elegant wearing experience. It's designed to sit gracefully on your neck, making it suitable for both special occasions and daily wear, adding a touch of sophistication to your outfits.
3. **Quality and Authenticity Assurance:** Kadel Jewels in Karol Bagh, New Delhi, is a reputable source for jewellery. When you purchase from them, you can trust in the quality and authenticity of the materials used in the necklace, as well as the craftsmanship. This provides peace of mind that you are investing in a high-quality piece.
4. **Versatile and Timeless Design:** The combination of green and white with polki diamonds and gold results in a versatile and timeless design. The color palette complements a wide range of outfits and styles, ensuring that this necklace remains a relevant and cherished accessory for years to come.
5. **Investment Potential:** Jewellery of this caliber can potentially appreciate in value over time. The combination of polki diamonds and gold ensures intrinsic value, and the rarity of the color combination may make it even more appealing to collectors and investors. It's not just a beautiful accessory but also a potential investment for the future.
6. **Trusted Local Source:** Purchasing from a well-known local jeweller like Kadel Jewels in Karol Bagh, New Delhi, offers numerous advantages. You can establish a lasting relationship with a trusted source, rely on their expertise and personalized service, and receive ongoing support for maintenance or any inquiries.
7. **Sentimental Value:** Beyond its aesthetic and financial worth, a piece like this often holds sentimental value. It can become a cherished family heirloom, passed down through generations, and carry with it the memories and traditions of its wearers, making it even more valuable to your family.

In summary, a green with white pearl color polki diamond and gold necklace with 30 grams gross weight from Kadel Jewels in Karol Bagh, New Delhi, combines uniqueness, comfort, quality, investment potential, and a trusted source. It's a stunning and versatile piece that adds a touch of individuality to your style and can become both a symbol of your personal taste and a valuable addition to your jewellery collection.

KJ-E1011 Earrings

The primary feature of Polki jewellery is the use of uncut or rose-cut diamonds. These diamonds are in their natural, unaltered state and have a flat base and a faceted, domed top. They are known for their unique, antique-like appearance..
